## T-shirt order form 2016

**Orders must be postmarked by March 12, 2016**

Each year the Georgia Botanical Society creates beautifully illustrated t-shirts in celebration of our annual spring wildflower pilgrimage. All profits from the t-shirts benefit our Marie Mellinger Research Grant Fund. The fund is used to award research grants for field-oriented botanical research of Georgia plants. Shirts are ordered prior to the pilgrimage and delivered at the event. For those who would like to order a t-shirt outside of the event, orders will be mailed after the event (after April 17th).

The color of all shirts is SAND with the design on the front. The women's cut is designed to fit closely, so size up if you like a looser fit. The hoodie is pullover style with the design printed on the back; the Georgia Botanical Society logo will be printed on the front right pocket area of the hoodie.
